The learned counsel for the respondents has filed the data of available seats in court which shows that NT.1 seat can be awarded to the petitioner or other eligible candidates in that category, if any seats are surrendered from the Central Government quota. He further states that in view of roster only on receipt of seven seats surrendered by the Central Government to the State quota, seat can be offered to the petitioner. In view of this statement, nothing further needs to be done in this petition. We expect the respondents shall consider the case of the petitioner in that category and in accordance with law.
